How to enrol on this course:

If you would like to enrol on the course, click the ENROL button and complete an online enrolment form. If you would like to discuss the course in more detail, please click the ENQUIRE button and complete the required details. If you have not lived in the UK for three years, please contact us to discuss your eligibility.

What is this course about?

The tutor will lead a range of activities aimed at your child, such as arts, crafts, stories, songs and movement built around the "50 Things to do before you're 5" app.

What will I learn?

You will learn lots of fun activities to do at home with your children to help them to learn through play. You will learn how to use the app effectively, and there will be plenty of information and ideas of ways to support your child's learning and development at home through fun and play.

How will I learn?

You will see examples of activities to develop learning through fun.

How will my learning be assessed?

There is no formal assessment on Family Learning courses, but we will help you access the sessions by:

- Discussion in the session
- Using the "50 Things to do before you're 5" app
- Working through the Early Years Foundation Stage guidance

Entry requirements:

You need to be a parent / grandparent / carer of a child at pre-school children in Coventry. Places are limited and will be allocated on a first-come-first-served basis. When the course is full, no other enrolments can take place. To enable you to fully access the information and activities on this course you will need to be confident in Speaking and Listening at E2.

Our 'Positive Family Foundations' courses help us to become more confident parents. Our 'English and Maths in the primary school' courses explain the ways these subjects are taught in modern British primary schools.
